How to Measure

To choose the correct size for you, measure your body as follows:

CHEST: Measure under your arms around the fullest part of your chest.

WAIST: Measure around natural waistline, keeping the tape a bit loose.

HIP: Measure around the fullest part of your body at the top of your leg.

Between Sizes?

Do you like a **tight fit**? Go for the **smaller size**. Prefer the **looser fit**? Go for the **larger size**.

-The Apex line runs small. We suggest sizing up in Apex.

-We offer **two cuts for cycling jerseys: RACE CUT is a tighter, shortener, closer fitting cut. CLUB CUT is a longer more relaxed fit, with more room across chest & shoulders with a longer length.**
